Vienna, 5th November 2020

Dear Friends of Eurofedop!

I am truly grateful for the received sympathy and solidarity. We strongly condemn the coward acts of terror and violence that took place in Vienna on the 2nd of November 2020. The Austrian and European core values have a solid foundation. Cruel attacks by ruthless killers will not vanquish us. Our thoughts are with those injured and the families of the victims.

Concerted effort is needed for the international community to ensure that the democratic values we share will always remain stronger than any acts of violence or terrorism.

Best
