POSTEUROP

PostEurop Plenary Assembly and 20th Anniversary 2013

Brussels (Belgium), 18-19.09.2013

During the evening prior to the General Assembly, a celebration dinner was organised on the occasion of PostEurop's 20th anniversary.

Bert Van Caelenberg, secretary general of Eurofedop, had been invited to this dinner on 18th September as well as to the General Assembly which took place the next day. Apart from the activities in line with statutory regulations (elections, finances), the organisation looked back at its activities in the past year and discussed its business plan for the next year.

PostEurop is the trade association which represents the European postal operators. It has 52 members in 49 countries employing 2.1 people and linking 800 million people daily. Its aims are to promote greater cooperation, sustainable growth and continuous innovation in the postal sector in Europe.

Over the years, Eurofedop has developed good cooperation relations with PostEurop. Secretary General Van Caelenberg and representatives of PostEurop regularly participate in each other's sessions.

PostEurop has a special unit on CSR (Corporate Social Responsibility), called the "CSR Circle". The main objectives of the Circle is to give PostEurop Members a forum for exchanging good practices and be a CSR developments knowledge centre. Furthermore, the CSR Circle works through special working groups on Health, Social Affairs, Training, Social Monitoring and Environment.
